**Informed Consent**

I have been informed that acupuncture is a safe method of treatment, but it may have side effects, including but not limited to bruising, numbness or tingling near the needle sites, that may last a few days. I will remove any retained needles if the sites become hot or itchy or display signs of infection.

I understand that the acupuncture I am about to receive is for demonstration purposes.

While I may experience some relief from my symptoms, I know that the Ideal results will be achieved by regular care.

If I decide to become a patient, a thorough history and exam will be performed, and a treatment plan will be explained at Laura's office.

Acupuncture is to be performed by Laura Yoo, L.Ac. 891, who is neither an employee nor representative of Lucky Dog Books. Lucky Dog Books assumes no responsibility for the administration of these treatments or their outcomes.

I have read the above. I have also had the opportunity to ask questions about its content, and by signing below, I agree to receiving acupuncture today.
